FROM THE MAYOR . . .

Hello Everyone,

This is your Mayor with another update on the many great things happening this summer in the Borough. June brings the 3rd annual Iron Bridge Music Festival, a two-day event in New Cumberland Borough Park, Father's Day weekend, which is all FREE! July brings the 2nd Annual A Cute L'il Pride Picnic and August don't forget to come out for the 2nd Annual New Cumberland Summer Cruise-In Car & Cycle Show also located in Borough Park. We have the Food Truck Rally every 2nd Thursday of each month on Market Square and the Farmer's Market will be open every Saturday at 4th and Bridge. We continue to look for ways to serve all the residents of our wonderful Borough. I encourage you all to get out and enjoy our various parks and waterfront. Catch a twilight or legion game at Memorial Field on 4th, there's always plenty to do every day.

If you ever want to discuss something, please feel free to reach out to me. I will always do my absolute best to help in every situation I can. We are people helping people and neighbors helping neighbors and together we can continue to make New Cumberland Borough the best place to live, have a business, and visit. I am proud to be part of this community and thankful that I can serve the residents of New Cumberland Borough. Until next time I wish you all a wonderful summer!

Thaddeus Eisenhower
 Mayor of New Cumberland Borough

COMMUNITY DEVELOPMENT & CODES

PROPERTY MAINTENANCE

To keep neighborhoods safe, healthy and vibrant, there are local municipal rules for properties about everything from structural defects to uncut grass and junk in the yard/porch. The Codes Enforcement Officer is continually in the process of performing exterior inspections of properties within the Borough. These inspections include commercial and residential (owner-occupied and non-owner-occupied) properties. The responsibility for maintenance and upkeep falls on the property owners, operators, and occupants of the property. Violations are enforced by fines and other costs.

Grass/Weeds/Trees

- No grass, weeds, or other vegetation not edible or planted for some useful purpose shall be allowed to grow to a height more than six inches, to emit any unpleasant or noxious odor or to conceal any filthy deposit.
- Do not allow cut grass, hedge clippings, brush, or other cut materials to lie in borough streets. This debris accumulates and tends to clog storm sewer catch basins and lines.
- Tree branches and shrubs overhanging the streets, highways, avenues and alleys are to be a clear height of twelve (12) feet above the surface of a street, highway, avenue or alley.
- Branches and shrubs overhanging any sidewalk adjacent to the property must be a clear height of eight (8) feet above the surface of the sidewalk on or adjacent to the owner's property.

REPORT A CODE VIOLATION

Submit property maintenance complaints that you believe violate Borough Codes online at newcumberlandborough.com

FIREWORKS REGULATIONS

Following are the restrictions to adhere to when setting off fireworks from Pennsylvania State Police's FAQ page on fireworks. Visit psp.pa.gov/public-safety/Pages/fireworks-safety.aspx for more information.

- They cannot be ignited or discharged on public or private property without express permission of the property owner.
- They cannot be directed at another person.
- They cannot be discharged from or directed at a building or vehicle.
- They cannot be discharged within 150 feet of a building or vehicle regardless if the building or vehicle is owned by the user of the consumer fireworks.
- They cannot be discharged while the person is under the influence of alcohol, a controlled substance or another drug.

In observance of the **Borough Public Park Ordinance #710**: Setting off fireworks in Borough parks is strictly prohibited.

COMMUNITY IDENTITY & DOWNTOWN MASTER PLAN

The *Community Identity and Downtown Master Plan* (CIDMP) was established to improve New Cumberland Borough's image while establishing a plan for improving and promoting the downtown area as an attractive place to live, work, and play. It is a framework to manage change and enhancements in the Borough over the next twenty years and beyond. It's intended to be a guiding yet flexible document. New Cumberland Borough will be the entity in charge of incrementally implementing the master plan; however, private sector, non-profit entities and individuals will have a partnership role for many of the projects.

The CIDMP builds upon the *2019 Revitalization Strategy* and the *2021-2022 New Cumberland Borough Community and Economic Development Plan*, which outlined the overall goal to make New Cumberland a better place to live, locate a business, and visit, and identified the following five priorities:

- **Community Identity and Promotion** to communicate the value of New Cumberland's past, present, and future locally and across the Region.
- **Economic Vibrancy** to support functional, physical, and other aspects of the business community.
- **A Safe, Active, and Healthy Community** to renew community facilities, programs, and services that encourage public health, safety, and wellness.
- **Housing and Property Values** to enhance housing choices, strengthen property values, and encourage flood mitigation.
- **Arts, Culture, and Entertainment** to expand programs and events that foster development and appreciation of the arts.

This CIDMP was identified as an outcome of the Economic Vibrancy and Community Identity and Promotion priorities.

PROCESS

The CIDMP planning process occurred from May 2022 to January 2023 and was led by Borough-hired Mahan Rykiel Associates. It included an online survey, multiple workshops, and public meetings held in the Borough, market research, and a field assessment. The Borough established a Steering Committee who provided direction throughout the process and included Valerie Copenhaver, Faith Curran, Nate Dysard, Don Kibler, Rob Kline, Gibby Parthemore, Gennifer Richie, Chris Semoff, Cindy Washburn and JoLynn Weist. We want to extend a big thank you to members of the committee

as well as to all those that participated in the community engagement opportunities. We are also grateful to the Pennsylvania Department of Community and Economic Development for a \$40,000 Municipal Assistance Program grant that helped make this project happen.

COMMUNITY IDENTITY

During the planning process, a community brand vision, messaging, and communication strategy were developed to help inform future community and economic development decisions and to market and promote our community as a great place to live, learn, work, and play. Reference the BrandTouch Manual, to see how the brand works.

Downtown *Design Guidelines* were developed to ensure that new construction and proposed alterations to existing properties will enhance, rather than adversely affect, the architectural character of New Cumberland Borough. This intent is two-fold and is the same regardless of whether the application concerns an existing property or a proposal for new construction. First, the guidelines provide the owners of downtown properties assistance in making decisions about maintenance, improvements, or architecturally-sensitive design within the existing surrounding context. Second, they provide Borough leadership with a framework for objective evaluation of proposed improvements or designs.

DOWNTOWN MASTER PLAN

The *Downtown Master Plan* includes a broad range of short- and long-term recommendations, building upon a foundation of existing revitalization successes and projects underway.

PROJECTS UNDERWAY

The Borough has initiated conceptual design work on several key projects that will strengthen downtown assets and serve as a foundation for additional recommendations outlined in the master plan. These include enhancements to Riverside Park, Third Avenue and Market Square, and Borough Park. If grant funding applications are successful, these projects will advance to more detailed design and implementation.

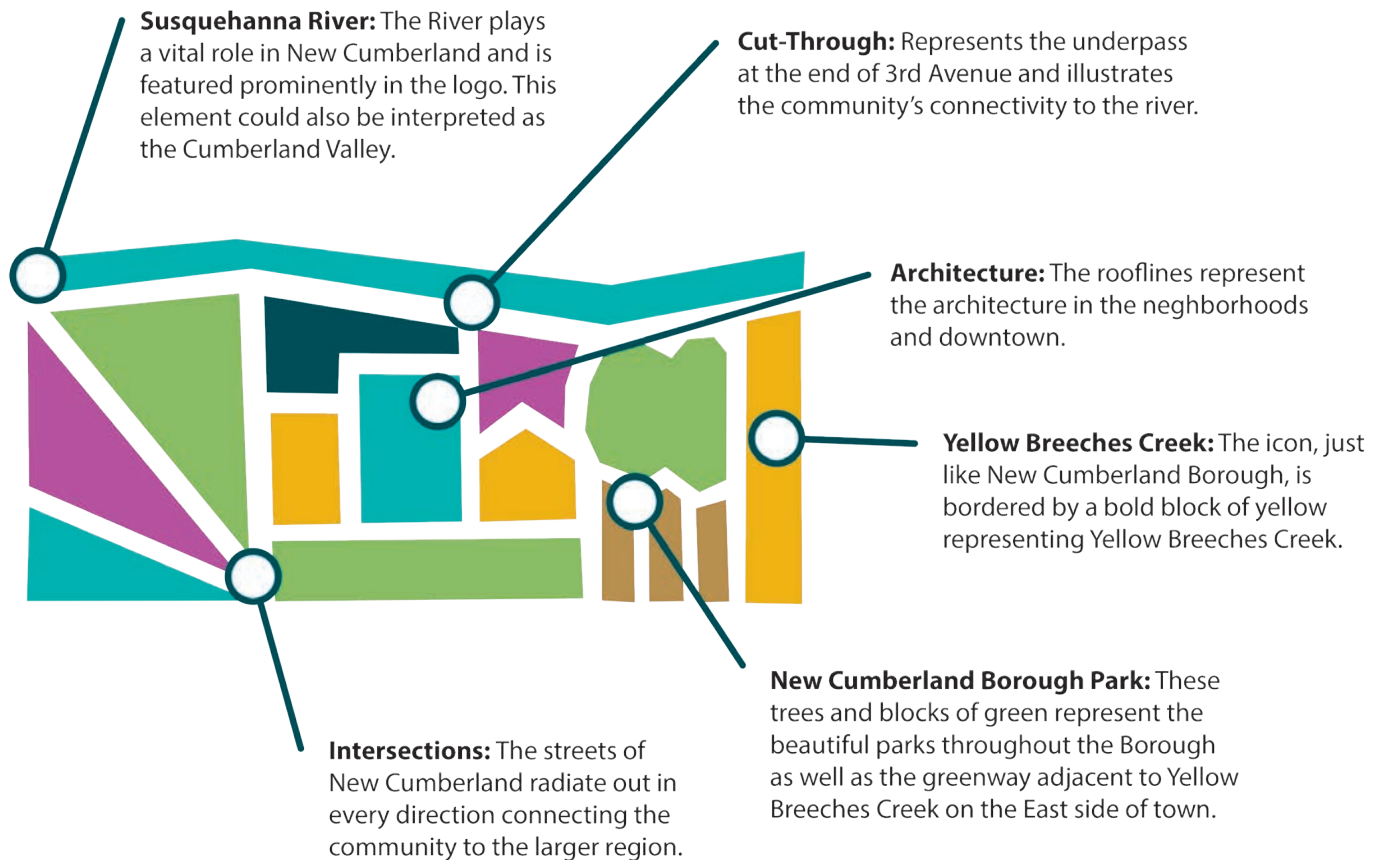

DOWNTOWN RECOMMENDATIONS

Additional recommendations for the downtown include potential public realm improvements for park spaces and streetscapes and redevelopment opportunities for several properties (should property owners wish to make changes). Some recommendations, such as wayfinding and parking, apply to the entire downtown while other recommendations are specific to certain geographies within downtown. Key priority projects, in addition to those already underway, include two catalyst projects and two streetscape priority projects.

View the adopted *CIDMP*, *BrandTouch Manual* and *Design Guidelines* under Permits and Documents on newcumberlandborough.com/cidmp.

LOGO EXPLORATION - Each component of the New Cumberland logo represents a unique asset in the community.

NEW CUMBERLAND BOROUGH BRAND STATEMENT

We are bounded by the shoreline of the mighty Susquehanna River at its confluence with the colorfully named Yellow Breeches Creek. We've been called many names from Shawneetown after the Native Americans who inhabited the Cumberland Valley to Chartier's Landing in the 1700's then to Haldeman's Town and ultimately New Cumberland in 1827 just four years before we were incorporated into a borough of the Commonwealth.

From our first days we were both a place connected and a place apart. We were the center of trade and travel with early sawmills and granaries and a turnpike that served nearby York and Harrisburg and the growing cities of Philadelphia and Baltimore. We grew as a close-knit community with shops, restaurants, churches, schools, a theatre, and a library all centered mere steps from our lush green neighborhoods.

Today we are a Borough connected to our neighbors yet distinct in character. We are a collection of parks and playgrounds, diverse neighborhoods, and a walkable downtown. There is a sublime feeling here of comfort coupled with a fresh energy for the future. We are close to everything but far from ordinary.

We look to the future with fresh ideas. We are rediscovering our access to our river, creek, and parks. We are curating an artistic destination for the visual and performing arts. We are fostering unique shops, restaurants, and services that combine the energy of entrepreneurs with hometown service. We are both a welcoming community to newcomers and a place where generations still live.

We welcome you to explore this place, stroll our streets, discover our parks, take in the views, and share our common goal and uncommon vitality.

WE ARE NEW CUMBERLAND BOROUGH, PA:

Old town. New energy.

West Shore – Harrisburg 69 kV Rebuild Project

Resilient transmission for a reliable future

INTRODUCTION:

A resilient transmission system helps us deliver safe and reliable service across our distribution lines to your homes and businesses.

That's why we continuously invest in transmission projects to improve reliability, protect the grid from extreme weather, reduce outages, and enable renewable energy interconnections.

We've started construction to rebuild a 3.2-mile transmission line from the west side of the Susquehanna River to our Harrisburg substation. This line serves customers in the Harrisburg and New Cumberland areas.

CONSTRUCTION PROGRESS:

During the spring and summer months, we'll be drilling holes and installing foundations. We'll also gather necessary materials to support the project and begin tree-trimming work, so the area is clear for new poles.

To follow our construction progress and learn more about the project, check out our virtual open house by scanning the QR code below.

Drillrig drilling the hole for the foundation on the west side of the river. This structure will also have a cell carrier on the tower.

Laydown yard and approach to the west side of the river.

DOG LICENSE

Cumberland County requires that all dogs, three months or older, be licensed by January 1 of each year. Annual dog licenses range from \$4.50-\$8.50 and lifetime dog licenses range from \$21.50-\$51.50. Annual licenses can be purchased at New Cumberland Borough at 1120 Market St, New Cumberland or online at doglicenses.us. Lifetime Licenses must be submitted by mail or in person at the Cumberland County Treasurer's Office, 1 Courthouse Square, Room 201, Carlisle. Lifetime Licenses **cannot** be purchased online or at the Borough. Why should you get your dog licensed?

- If your dog gets lost, a current license is the fastest way for it to be reunited with you.
- Licensing reduces the number of dogs in shelters, thereby creating space for truly homeless pets and reducing euthanization rates.
- A dog without a current license can be transported to shelters far from their homes, and eventually adopted out if no owner is identified.
- A dog license helps to control the stray dog population.
- Violators will be cited with a maximum fine of \$300 per violation plus court costs.

REPORTING STREET LIGHT OUTAGES

Streetlights are installed and maintained by PPL. Please call PPL directly to report broken lights or electrical outages at 1-800-DIAL-PPL (1-800-342-5775). Be prepared to provide a street address where the light is located. It is also helpful to provide the poll number, which is posted on each streetlight. To report light outages for the green decorative lights in downtown New Cumberland, please call the Borough at (717) 774-0404.

DRUG TAKE-BACK BOX

Dispose of your unused or expired prescription and over-the-counter medication safely and close to home.

The New Cumberland Borough Police Department has a Drug Take-Back Box available for drug drop off in its lobby during normal business hours. The Take-Back Box is located inside the police lobby to the left of the entry door. Residents can bring their medications into the lobby and deposit them into the box for safe disposal.

This program allows residents to drop off unused or unwanted medications and remove the risk of these medications being misused or stolen. All medications should be either in a pill bottle or in a plastic bag prior to being deposited in the box. Please do not put loose pills into the Drug Take-Back Box and liquids are not accepted at any time. Remove personal information from original container. Individuals utilizing the Drop Box will not be questioned, required to provide ID or charged a fee.

A CALL FOR VOLUNTEERS ISN'T JUST A CALL FOR FIREFIGHTERS & EMTs

New Cumberland is like most towns throughout Pennsylvania, when a house catches fire, someone has a medical emergency, or a car accident happens, volunteer firefighters and EMTs are responding to the call. The New Cumberland Volunteer Fire Dept responds to approximately 1,500 calls every year. Not only in our community, but also as mutual aid support in Cumberland, Dauphin, and York Counties. In doing so, our volunteers give over 4,600 man-hours annually between running calls, training, station duties, administrative support, and fundraising.

Always been intrigued by the thought of being a firefighter and/or an Emergency Medical Technician (EMT) but don't have any experience and don't know where to start? No problem. Join the NCFD and we will assign you a mentor who will help guide you through the training process. You will learn real world skills through hands-on training and running real emergency calls. We even cover the cost of any classes that you attend. That's right – in exchange for volunteering your time with us and running calls, you can get your certifications at no cost to you!

Not interested in fighting fires or riding in an ambulance? There are many ways to serve your community as a volunteer without running calls. We have members between the ages of 18-80 who help with fundraising events, grant writing, equipment maintenance, traffic control at incidents, community engagement, and administrative support. Volunteering doesn't have to take a huge commitment either. Even if you have just a few hours a month available, your help can make a difference.

Being a volunteer with your local fire department, in any capacity, is one of the most meaningful ways to serve your family, friends, neighbors and your community. We invite you to learn more about volunteering at the New Cumberland Fire Dept. Reach out to us on Facebook, through our website NCFD10.com, or stop by our weekly Wednesday evening training (starts at 7 p.m.) to chat and pick up a membership application.

Firefighters (and supporting members) are a family. From learning new skills to being a part of a life-changing team, joining a volunteer fire department is one of the best things you can be called to do.

EVENTS IN THE BOROUGH

June 16th & June 17th, 2023 in New Cumberland Borough Park

Heads up all you lovers of live music and fun-in-the-sun! Grab your lawn chairs, blanket, sunscreen and shades for the 3rd Annual Iron Bridge Music Festival. This is a FREE event for all ages so come and join your friends and neighbors for two days of rock, jazz, R&B, southern rock, country, rockabilly, blues, food trucks, and a beer garden. The rain date will be Sunday, June 18th, from noon to 9 p.m. For more info visit our website: IronBridgeMusicFest.org.

Friday, June 16th

5-9 p.m. **Central PA High School All-Star Jazz Band**, an ensemble of auditioned musicians from surrounding school districts, under the direction of guest conductor, Matt Gallagher, Principal Trumpet with the Philly Pops. Following with 17-piece **Harrisburg Jazz Collective** big band, under the direction of Steve Rudolph and Bill Perbetsky. The evening will conclude with acclaimed vocalist **Erica Lyn Everest**. Food trucks and the Beer Garden will be available.

Saturday, June 17th

10-9 p.m. **New Cumberland Town Band** at 10 a.m. followed by performers on two alternating stages. The line-up includes: **Nicks in Time** - Fleetwood Mac/Stevie Nicks tribute bands; **Quentin Jones and his band** - rock & roll, blues and old school country Guitar Hall-of-Famer; **Lisa Chavous** - international blues vocalist; **Buckskin Whiskey** - southern rock; **Moe Blues Band** - blues; **Bob Randall** - classic country; and **Mystic Alpacas** - a blend of blues, jazz and old-school R&B.

New for 2023:

- Anyone wishing to drink alcoholic beverages will have the opportunity to have their ID scanned and issued a wristband at the two entrances to the festival. After that they can purchase their drinks and take them anywhere within the large fenced-off area that includes the stage-viewing area, the food truck area and picnic pavilions. Guests will be monitored to make sure that if they are drinking an alcoholic beverage, they have a festival-issued wristband.

- Parking in the park is \$5/vehicle. Parking is free on Friday evening, for the Town Band concert and outside the park.

A big thank you to our generous sponsors for their support that make this a free event: New Cumberland Federal Credit Union; the Turner Automotive Group; Central PA Friends of Jazz; Blues Society of Central PA; Daflure; Vowler-Posner Concert Fund; West Shore Foundation; New Cumberland Olde Towne Association and many more.

HOUSEHOLD HAZARDOUS WASTE RECYCLING

Saturday, June 17th 9 a.m. – 3 p.m. Household Hazardous Waste (HHW) consists of products in the home which are corrosive (drain cleaners or bleach), flammable (gasoline or kerosene), reactive (chemistry kits and photographic chemicals) or toxic (pesticides and insecticides). Penn Waste is **NOT** authorized to pick up these materials. These materials may **NOT** be placed in your curbside trash. Cumberland County offers a HHW collection recycling program to give the residents of Cumberland County an alternative disposal method for these types of wastes. Bring your HHW to Cumberland County Recycling Center, 1001 Claremont Rd, Carlisle June 17th. **Appointments are required and a fee of \$0.55/lb will be charged.** Find more details and sign up on cumberlandcountypa.gov.

*WE STRIVE TO BE THE MOST
FAMILY-FRIENDLY, AFFORDABLE,
AND BEAUTIFUL CEMETERY
ON THE WEST SHORE.*

HELP US BE EVEN MORE BEAUTIFUL
Please donate to the Mt. Olivet Beautification Fund

Those visiting Mt. Olivet see all the improvements made over recent years thanks to Sam Brinley, our general manager, and groundskeepers. Grass is healthier, mowing and edging are sharper, trees trimmed, fallen limbs removed, gravestones better tended, and much more.

Donations to our Beautification Fund help us go beyond with installation of new park benches, creation of a memorial garden, planting of new trees, bushes and flowers, the repair and cleaning of gravestones, and much more.

We thank families who have donated and ask all to consider helping make Mt. Olivet even more beautiful. (Mt. Olivet is a 501c13 not-for-profit and your donations are tax deductible.)

Please send your donations to:

Mt. Olivet Cemetery 198 Old York Road, New Cumberland, PA 17070
