

HOME COOKED MEALS

Did you know you can eat a FREE, home-cooked meal nine nights a month? For a family of 4, that could save you over \$150 per month or over \$1,800 per year!

Many of these locations also offer leftovers as to-go meals, saving you even more!

In addition to food, you can find community and additional resources at the dates and times listed below! Plan to check out some (or all) of these meals!
