

Comprehensive Recreation, Park, & Trail Network Plan

WELCOME!

Hello, and thank you for joining us as we develop ideas for a new Comprehensive Recreation, Park, & Trail Network Plan for New Cumberland Borough! This new plan will support the 2019 *New Cumberland Borough Revitalization Strategy* recommendations for park and recreation enhancements, multi-modal connections, and the Borough's desire to provide the optimal mix of recreational opportunities to meet the needs of our growing community.

Before tonight's presentation begins, please walk around to learn more, share your thoughts, and complete the poster exercises.

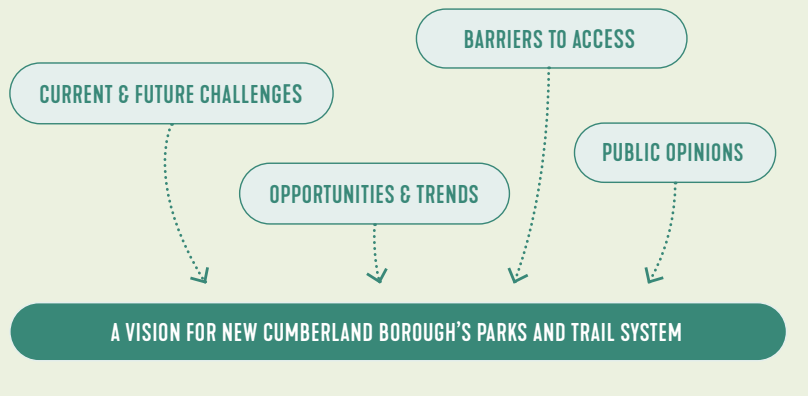

ABOUT THE PLAN

This Recreation, Parks, and Trails Network Plan will identify opportunities to improve outdoor experiences in the Borough, including:

- Enhancing and upgrading park and open space facilities;
- Improving environmental sustainability;
- Identifying new recreational and trail opportunities;
- Creating a more walkable and bike-friendly community; and,
- Increasing connectivity within the Borough and to neighboring communities and trail networks.

COLLECTING INFORMATION

How will we inform the vision for New Cumberland Borough's Parks and Trails? A number of factors will contribute to our overall assessment and recommendations.

This project is financed in full by a \$48,200 grant from the Community Conservation Partnerships Program, Keystone Recreation, Park and Conservation Fund, under the administration of the Pennsylvania Department of Conservation and Natural Resources, Bureau of Recreation and Conservation; and a \$48,250 grant from the Commonwealth of Pennsylvania, Commonwealth Financing Authority. New Cumberland Borough extends our sincere appreciation to the Pennsylvania Department of Conservation and Natural Resources, Commonwealth Financing Authority, Senator Mike Regan, and Representative Sheryl Delozier for their support.

PROJECT TIMELINE

Planning began in fall of 2023 and is expected to last 12 months.
